EDUCATION

AKI's Poona College

Bachelors in Computer
Science

(2021 - 2024)

IBM India Private Limited

FullStack Web Development

(2021 - 2024)

ABOUT

Passionate student and full-stack developer with a profound expertise in JavaScript frameworks and libraries, particularly excelling in ReactJS and NextJS. Proficient in harnessing the power of Tailwind CSS for seamless UI design. My journey revolves around mastering the intricacies of JavaScript and its diverse applications, alongside a knack for working with multiple databases. Continuously exploring the ever-evolving world of web development to create innovative, user-centric solutions.

WORK EXPERIENCE

FULL STACK FREELANCE PROJECT

YolkShire Restaurant | Salunke Vihar

- Created awesome UI using NextJS.
- Fully fledged backend connected to Database.
- Link: <https://yolkshire.com/>

INTERNSHIP AS FULLSTACK DEV

Nexus Info (Dec 2024 – March 2024)

- Worked with team to learn how the industry works.
- Developed a demo client project that helps the customer to share their issues & get solutions on site in real time.
